

Communicable Disease Surveillance References

The following links are provided to give guidance, if you become aware of a reportable condition. The links provide information on what is required by state statute.

- This link is to the Secretary of State's website for the Code of State Regulations. Once you have gone to this link, you are in the Department of Health and Senior Services Regulations. Communicable Disease is located in Division 20, Chapter 20. You will need to click on the link for Chapter 20 and it will open a pdf document that includes the entire reporting rule.
